

# FROM THE TIP OF THE SWORD

Since Che and I have joined the class, the past three months have flown by. I am excited to see what

God is doing within our class and in our church. I am grateful to each member for their faithfulness in attendance and for their desire to study God's Word.

I have heard that an effective Sunday School can be described by the acronym, C.A.R.E.

**The "C" stands for content,** and our content is the Word of God. We have the greatest text book in the world. Did you know that God honors his Word above his own name? Starting next quarter, we are switching our study curriculum to the "Explore the Bible" series. This curriculum will allow us to go through the Bible, moving through all 66 Bible books chapter by chapter. We will alternate quarter-by-quarter between Old and New Testament studies.

WELCOME TO ALL  
OUR NEW MEMBERS

**The "A" stands for action.**

As we studied missionaries this quarter, we learned that the Lord Jesus Christ has called each of us into action. We believe that we are not only to be hearers of the Word, but we are to also be doers of the Word. This is why we will strive together to find ways to put our faith into action.

**The "R" stands for relationships.**

As we reach out to each other in love and work together in the service of our Lord, we will build life-changing relationships and create an atmosphere that is inviting for others to join in fellowship with us. We are commanded by the Lord to love and care for one another.

**The "E" stands for exercise.**

It is vitally important that as we learn the truths of God's Word, that we also find opportunities to exercise those truths. It is though the "putting into practice" that lasting strength in the Lord is developed.

It is such a privilege to server the "Golden Warriors". We have already learned so much from each of you. Let us continue to "look for that blessed hope, and the glorious appearing of the great God and our Savior Jesus Christ." Titus 2:13
